NO on HB 4143

House Bill 4143, allows the Governor to direct state agencies to withhold qualified payments to the federal government if the U.S. is unlawfully withholding funds from the state in violation of a valid court order. The bill establishes a Federal Moneys Holding Account to manage these withheld payments and requires the state to indemnify officials who comply with the law. This will inevitably punish all Oregonians for the direct rebellion of the Democratic leadership to the Federal government and laws. Oregonians DO NOT want DEI, sanctuary status, state funded abortions & transgender surgeries, illegal stripping of our Second Amendment rights and fraudulent, illegal voter practices.

The winds of change are sweeping our nation. We have two choices; get on board with the will of "We the People" and let that wind take us back into Constitutional freedom OR let it blow us over destroying the very fabric of who we are as a Republic. For far too long you have done as you please with your ungodly ideologies and enslavement practices, but we are rising up and demanding that these things STOP!! This is the time in the history of Oregon that we will see a turnaround and have righteous government once again.
