Committee: Senate Committee On Veterans, Emergency  
Management, Federal and World Affairs  
Measure, Appointment or Topic: HB4091

Oregonians need stronger protections from a federal executive branch seeking to militarize our streets counter to state, regional, and local leadership. HB 4091 provides the protections that we need by strengthening the Governor's role and preventing use of out-of-state Guard without the Governor's consent. Please advance HB 4091 to a vote on the Senate floor.
