

Submitter: Christi Betz

On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: SB1524

I have been involved in horse racing for my entire life. Oregon and many of the smaller fair meets rely heavily on the revenue that it brings to these small towns. Jobs are created for so many not only at the track but also within the communities. Please pass this bill and continue to support the history of Oregon horse racing.
