On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: SB1524

I am a 4th generation Oregonian whose friends and family have always been involved with horses. Please support the horse racing industry of Oregon and allow this bill to pass. I am a current owner, breeder, and trainer of racehorses in Oregon. It would be a shame for this industry to die for lack of funding. The horse racing industry was established long before the casinos or lottery in Oregon. This industry provides thousands of jobs to Oregonians directly and indirectly.

Thank you in advance for your consideration.
