Committee: Senate Committee On Education

Measure, Appointment or Topic: HB4079

Please support HB4079 which simply directs school district boards and governing bodies of institutions of higher education to adopt policies to address how the school district or the institution of higher education will respond when a federal immigration authority enters school property or a campus.

This Bill has done a very thorough job of outlining what policies should be developed and if school district boards and governing bodies of higher education institutions simply adopted the policies outlined they would know they are law.
