Measure, Appointment or Topic: SB1524

As an owner of a racehorse I strongly support the passing of SB 1524. Without the funding from greyhound racing there will be fewer race days and smaller purses. Everyone involved in horseracing (trainers, owners, Jockeys, ect.) rely on this money to support their family's. While there are multiple racetracks in Oregon, Grants Pass Downs is the only one that has a two meets per year. As a local of this small town I see how big horseracing is for bringing travelers through and supporting other small local businesses. By supporting SB 1524 not only will you be supporting the future of oregon horseracing but also promoting travelers to support small local businesses. Please pass SB 1524!
