On Behalf Of: God loves you  
Committee: House Committee On Health Care  
Measure, Appointment or Topic: SB1598

No please

This is one more creeping crawl towards the “death panel” conspiracy theory by authorizing a “public authority” to mandate any medical procedure or injection statewide without individual consent, and doctor input. When decision-making is centralized to the State and accountability is eliminated, parental choice, medical discretion, and informed choice are weakened and in some instances eliminated.
