On Behalf Of: Mr Oregon OPPOSES SB 1532
Committee: House Committee On Early Childhood and Human Services
Measure, Appointment or Topic: SB1532

I OPPOSE SB 1532 A].

[HB 1532 A] is too complicated for the 'short session,' more information is needed.

[HB 1532 A] should be three(3) separate pieces of Legislation.

**"Residential and Long-term Care Facilities, Developmental Disabilities Services and Children Care" should all stand-alone.

***Budgetary allocations for [HB 1532 A] are absent for this behemoth piece of Legislation.

**Reject and deny [HB 1532 A]'s consideration this session with dogmatic dispatch.

David S. Wall
Mr. Oregon Concur.
