

Submitter:

Mark Booth

On Behalf Of:

Committee:

House Committee On Health Care

Measure, Appointment or Topic:

SB1598

I fully oppose this bill.

This bill is unconstitutional. It seems to have been born from ignorance that the citizens are fully clear on the overreach and failures of state government during and after 2020. There is not now, nor will there ever be, a bureaucrat in this state that will direct the healthcare of my family. The doctor-patient relationship is fundamental and is not subject to ideology.
