

Submitter: Elaine Lavington

On Behalf Of:

Committee: House Committee On Health Care

Measure, Appointment or Topic: SB1598

I oppose SB 1598. This bill is government overreach. This reminds me of the COVID Vaccine. I did not want it, but for me to keep my job because I refused to get the COVID vaccine, I had to submit to a weekly COVID test because the Juvenile Department was receiving State Funds. It's my body, my choice. Please vote "NO" on this bad bill.
