Committee: House Committee On Education

Measure, Appointment or Topic: SB1538

Hello,

I support SB 1538 (preventing schools from discriminating based on immigration or citizenship status). Schools are for all children.

My parents were from Mexico. I entered school speaking almost no English. I am proud to say that I'm an excellent example - one of many - of the good schools do for immigrant children and children of immigrants.

We are a country of immigrants. We are a country of many colors. This is what makes us great.

Please vote for all children. Please vote for SB 1538.

Thank you,
Yvonne
