Committee: House Committee On Health Care  
Measure, Appointment or Topic: SB1598

I STRONGLY OPPOSE SB 1598.

WHY force families to get your prescribed medical care? How about we leave this up to the family's doctor and not the healthcare provider on what they want to do?

This is INSANE! So wonder people and industry are leaving this state. You all have seriously lost touch with Oregonians. Legislators are not supposed to be dictators. Stop it with trying to push your demonic ideologies down the throats of the taxpayer.

NO to SB 1598.
