Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: SB1586

I am in strong opposition of SB1586.

I live on a small farm within this acreage! I'd like to keep it that way while maintaining my quality of life, which, if this bill passes, will be destroyed.

Once again I'd like to remind you all that there was an agreement made in The Grand Bargain, an agreement to keep this land in Rural Reserves until 2064. You need to honor that agreement and stop the destruction of our farmlands!

There are too many issues at hand and risks involved to pass the bill.

Please do the right thing. Shut this bill down and honor what is currently in place.
