On Behalf Of:

Committee: House Committee On Health Care

Measure, Appointment or Topic: SB1598

Oregonians should not face higher costs or new barriers to preventive care due to increasingly dis-connected from science federal guidance. SB 1598 ensures continued access to evidence-based preventive health services and allows public health departments to require vaccines be covered by health plans as a benefit. It also allows public health authority to issue a standing order to pharmacies to administer vaccines.

SB 1598 will keep Oregonians safer. PLEASE VOTE YES ON SB 1598!!!
