Measure, Appointment or SB1548
Topic:

Chair and Members of the Committee,

My name is [Name], and I am an employee at Club Sky High in Portland, Oregon, and I respectfully oppose SB 1548. I care deeply about protecting children, but I believe this bill would harm responsible small businesses and the employees and families who depend on them. Our industry is already highly regulated, and collaboration and education would be more effective solutions than restrictions that could destabilize the legal market. I urge you to vote no on SB 1548 and work with small businesses to find balanced, practical approaches.

Thank you for your time.
