

Submitter: Karma Hunt

On Behalf Of:

Committee: House Committee On Economic Development, Small
Business, and Trade

Measure, Appointment or SB1548
Topic:

Thank you for your time. I am an occasional user of edibles for the purpose of chronic pain relief. I am an end user and have no other interest in the cannabis industry. I strongly oppose this bill as it is unnecessary regulation that will result in higher prices, significant inconvenience with no discernible benefit for anyone. It's unwanted, unneeded overreach in an industry that is already highly regulated.

Thank you.
