Committee: Senate Committee On Judiciary

Measure, Appointment or Topic: HB4111

Attention Senate Committee on Judiciary regarding HB 4111. Take note, I oppose HB 4111.

Why don't you truly clarify what you're saying in this Bill? I think it's about illegal immigration, and more Democratic Votes!

There should not be any exceptions to a citizen's status in the State of Oregon for a civil case! Do you all dream of these types of Bills in your Sleep? Do something for the Good of the State of Oregon, instead of picking it apart!
