Measure, Appointment or Topic: HB4099

I highly support HB 4099 which establishes the Task Force on Responding to Veterans in Crisis. As a disabled US Navy Veteran which utilizes the Eugen VA Medical Clinic, I see fellow veterans on many of the streets of Eugene suffering. These individuals have fought and some been damaged physically and mentally for defending the rights of even this Oregon Bill to be active. These patriots deserve to be acknowledged and supported in any recovery to full health by thankful country and state. Again I highly support HB 4099.
