

Submitter: Linda Middlekauff

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure, Appointment or Topic: HB4143

I oppose HB 4143 because the State of OR would be in violation of federal law if passed. OR is already defying federal law due to the Sanctuary State status which is why the federal government is withholding funds from OR in the first place.

Article VI of the US Constitution established the supremacy of federal law over state law which gives the federal government the right to arrest illegal immigrants, especially those who have committed criminal acts.

Not only is the State of OR breaking the law, but it would be establishing a separate account for the funds the state is withholding from the federal government. This account potentially could be used by the governor for other purposes which at this time are undefined in this bill.

Please Vote NO on HB 4143.

Thank you!
