

Submitter: Elizabeth Rains

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure, Appointment or Topic: HB4143

I support HB 4143A. How can agencies in Oregon plan and deliver those programs and services that rely on Congressionally-authorized federal funding when the federal government reneges on its promise — its obligation — to release the funds that it has committed to Oregon? Withholding the transfer of state funds to the federal government is a reasonable action for us to take.
