

Submitter: Theodora Crotti

On Behalf Of:

Committee: House Committee On Education

Measure, Appointment or Topic: SB1538

I support SB 1538 (preventing schools from discriminating based on immigration or citizenship status.) We should not deny any child of an education. All children need and should have the opportunity and right to get an education.

We should not discriminate. Please vote for all children. Please vote for SB 1538.
