

Submitter: Nolan Kelly

On Behalf Of:

Committee: House Committee On Economic Development, Small
Business, and Trade

Measure, Appointment or Topic: SB1548

I do not support this measure. It is impractical and will result in a black or grey market for cannabis within the state that will cause more accidents, confusion, enforcement costs, and pain for the average Oregonian.

Do we sell vodka by the ounce? Why are we proposing to do this for cannabis?

I will vote against every state level incumbent on my ballot this year if this measure passes.
