

Submitter: Shelby Staffenson

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure, Appointment or Topic: HB4088

I adamantly oppose this bill. HB4088 is all about protecting providers of abortions and gender affirming care with no concern for protecting individuals who may have been harmed or abused by their providers. Our government was never meant to fund such societal practices and ignore the irreversible damage it will cause an individual. This bill is all about the Agenda and not genuine care for individuals. Please do NOT pass this awful bill.
