Committee: Senate Committee On Judiciary

Measure, Appointment or Topic: HB4114

I strongly oppose HB4114. This bill is in conflict with federal law, particularly the Supremacy Clause, and attempts to regulate federal law enforcement acting within their lawful jurisdiction. Stop passing laws that conflict with federal law and constitutional protections that also waste tax payers money on costly litigation when it could be used to tackle the numerous problems in our state. Vote NO on HB4114.
