Re: Support HB 4114

Date: 2/23/2026

Latino Network was founded in 1996 by advocates for the needs of the growing Latinx community in Multnomah County. Since then, these grassroots beginnings have evolved into a continuum of services that support Latinx individuals, families, and communities. Our programs currently focus on education, advocacy & leadership, health & wellness, economic justice, youth empowerment & violence prevention, and arts & culture, engaging nearly 11,000 community members throughout Multnomah, Clackamas, and Washington Counties in the last year. We are the leading culturally-specific provider for Latinx youth, parent, and family services in the Portland area with the goal of serving the nearly 19% of Oregon's population who identify as Latinx or Hispanic.

Latino Network currently provides direct services to youth and families in Senate Districts 13-15 and 19-25 and House Districts 25, 26, 28, 29, 37, 40 and 42-50.

We support HB 4114 and we urge a yes vote

The Protect Your Door Act strengthens our constitutional rights to be secure in our own homes. If anyone violates our constitutional protections by entering our home without a valid warrant signed by a judge or our consent then we can sue them personally for damages and harm they have caused. Our constitutional rights are only meaningful when enforceable. Families across the state and country have seen their Constitutional rights violated without accountability. HB 4114 holds individuals personally responsible for infringing on someone's right to privacy and security in their home.

The constitution is clear, our presence in this country affords us all rights - citizenship is not a factor, do not fall for the lies trying to convince you otherwise - and there must be accountability when our rights are violated.

*From community member, Theresa: Federal overreach is forcing states and community members to increase protections for all members of our communities and especially for underrepresented and unrepresented groups. It's our duty as community members, whether natural born citizen, naturalized citizen, or noncitizen to support and protect our communities for the present and for the future.*

*From community member, Rosa: Oregon must strengthen our ability to pursue lawsuits against the federal government for violation of our 4th amendment rights. I urge all members of the Oregon house and senate to pass HB 4111, and HB 4114. With the passage of these bills, Oregon will send a strong message of support for the rule of law, and to fight to defend our constitutional rights.*

Please support HB 4114
