Measure, Appointment or Topic: SB1590

Some of my fondest memories growing up in Oregon were spent hiking, backpacking, camping, cross-country skiing, and foraging for mushrooms on our public lands with close friends and family. These experiences shaped who I am and deepened my connection to the place I call home.

I hope to continue to share these meaningful moments with my community as I grow older. I want all Oregonians to have the same opportunities to explore and enjoy our public lands for generations to come. SB 1590 will help safeguard these lands from the threat of privatization and ensure lasting access and opportunity for all Oregonians.

I respectfully urge your support of SB 1590
