Measure, Appointment or Topic: HB4091

Dear Senate Committee on Veterans, Emergency Management, Federal and World Affairs,

Federal law overrides state law here. Please stop wasting time and taxpayer dollars on this bill. It's time this legislative body focus on real policy that benefits the legal citizens of

this state and the businesses that are leaving because of policies that cause Oregonians harm. The voters are waking up and are not happy with what you are putting forth.

Vote NO on HB 4091
