Measure, Appointment or Topic: HB4045

Attention Senate Committee On Judiciary regarding HB 4045. I support HB 4045, which requires a social media platform to respond to a search warrant within 72 hours of service, and all other communications providers to respond within five business days of service, when the warrant pertains to an investigation of stalking or a crime constituting domestic violence.

There are too many dangerous social media platforms on the internet; they should be flagged as such!
