On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural Resources, and Water

Measure, Appointment or Topic: SB1539

Attention House Committee on Agriculture, Land Use, Natural Resources, and Water regarding SB 1539. I oppose SB 1539.

It sounds like no one on this Committee knows anything about Agriculture, working with animals!

Pregnancy evaluation of cattle is defined in Oregon as the practice of veterinary medicine. Veterinarians are licensed, regulated, and must meet specific standards of care, meet defined education requirements, including ongoing education, have been tested for competency, and must have malpractice insurance. Veterinarians are regulated by the Oregon Veterinary Examining Board (OVMEB)
