On Behalf Of: Mr Oregon OPPOSES HB 4025
Committee: Senate Committee On Energy and Environment
Measure, Appointment or Topic: HB4025

I OPPOSE [HB 4025].

Utility rates once a year to give citizens reasonable time to address the Public Utility Commission (PUC). This gives citizens the right to enjoy the Holiday Season and to avoid inclement weather to discuss their utility issues with the PUC before the start of the next fiscal year.

Mr. Oregon Concurr and says, "What devious little snake in the grass came with [HB 4025]? Oregonians are getting 'Fed-up' with multiple rate increases."
