On Behalf Of: Mr Oregon OPPOSES HB 4039  
Committee: Senate Committee On Health Care  
Measure, Appointment or Topic: HB4039

I OPPOSE [HB 4039 A].

Community Care Organizations are inefficient and are a conduit of Non-Profit and or Public Benefit Corporations to become 'fixtures' with Oregon Health Authority (OHA) funding.

[HB 4039 A] appears to give 'Universal Health Care' to anyone who needs care at taxpayer expense.

CCOs have become ubiquitous throughout Oregon.

Taxpayers who have their own Medical, Dental, Psychological and any other Care service are apt not to buy in to fund [HB 4039 A] services.

The issues set forth in [HB 4039 A] should be approved by the Voters and not those who are elected and can divert GENERAL FUND to support burgeoning Health Care bureaucracies.

Mr. Oregon Concurr.
