Measure, Appointment or Topic: HB4075

Attention House Committee on Rules regarding HB 4075. I support HB 4075, authorizing the State Treasurer to loan up to 20 percent of the Unclaimed Property and Estates Fund to rural hospitals for financial stabilization.

Question, is the loan of money going to be taxed when loaned to Rural Hospitals? Why is this an emergency, effective on passage? Your Open Government impact statement doesn't explain everything regarding this Bill. You needed better clarification.
