Committee: Senate Committee On Veterans, Emergency
Management, Federal and World Affairs

Measure, Appointment or Topic: HB4099

Attention Senate Committee on Veterans, Emergency Management, Federal and World Affairs, regarding HB 4099. I support HB 4099 because it establishes a Task Force on Responding to Veterans in Crisis, and it requires the task force to submit a report to the legislature.

As an Oregon citizen, I urge this Committee to support HB4099. Formation of the Task Force is a powerful symbol that Oregon honors Veterans' sacrifices and is dedicated to identifying best practices and procedures to benefit justice-involved Veterans and our communities. We always need to honor our Veterans for their sacrifices, regarding our Freedom.
