

Submitter: Becky Legrande
On Behalf Of: Myself
Committee: Senate Committee On Education
Measure, Appointment or Topic: HB4079

I am in support of HB4709 as it merely asks that law and order be followed. Seems pretty simple. The current immigration enforcement actions require us to protect all students and ensure that seizure of students is done correctly and lawfully. Schools need clear guidelines and students need to feel they are not easy targets. Our immigration system is broken but that needs to be fixed going forward. Terrorizing students is not the answer
