

Submitter: Debbie Henshaw

On Behalf Of:

Committee: House Committee On Health Care

Measure, Appointment or Topic: SB1598

Was nothing learned during Covid? No, no, NO to any requirements, emergencies, mandates, etc etc etc. If people want vaccines, they certainly can get them. Most are paid for already.

I STRONGLY oppose this bill and I suggest that you do too. It is health and government overreach in its highest form.

Just say NO.
