

Submitter: Sarah Cantril

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural  
Resources, and Water

Measure, Appointment or Topic: SB1590

As an Oregonian of 35 years, I have enjoyed public lands for hiking, mushroom hunting and relaxing. Our public lands provide vital ecosystems for wild creatures, trees and plants to thrive, which benefits clean air and clean water for all Oregonians. I whole heartedly support keeping public hands out of private corporations and entities.
