

Submitter: Kathleen Krohn

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure, Appointment or Topic: HB4088

I strongly oppose the government getting involved in a person's identity and personal choices. This is overreach & state government needs to stop profiting from these kind of issues. **STAY IN YOUR LANE! STOP INTERFERRING IN CITIZENS PERSONAL CHOICES!** This is not benefitting anyone but government control. Please get honest with your motives.
