On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB1501

I am submitting this testimony for the February 25, 2026 Senate Rules Committee hearing on SB 1501.

This is a garbage bill. It's a total haircut for the city of Portland, an embarrassing giveaway. How can the city constantly cry poor to voters and then turn around and offer these massive handouts and subsidies to a guy who made his fortune as a sub-prime lender?
