PS, in addition to my previous testimony in opposition to this bill, this bill is an INFRINGEMENT on my FREEDOM OF SPEECH which is protected in the bill of rights. The Bill of Rights, added to the Constitution, is a list of the most important rights to the citizens of a country. The bill of rights was written to protect those rights against infringement from PUBLIC OFFICIALS and private citizens. Support MY rights and every private property owner - Vote NO on HB 4123
