

Submitter: ana capestany

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure, Appointment or Topic: HB4111

Don't let prejudice and ignorance get intermixed in court proceedings. Any court proceeding, including civil proceedings, should be decided on the merits of the case, not the person's immigration status or country of origin or skin color. This will also make it safer for people to actually attend hearings, so that they can resolve issues and get justice.
