Are you TRYiNG to hand the governorship to the Republicans??? If you support major tax cuts for data centers that support job killing AI, decimate essential ecosystems like McKay Creek, use tons of water and drive up the cost of electricity for consumers you bet your a** I will vote for someone other than Tina Kotek. We need a Democratic primary really bad! I thought the transportation bill is because Oregon is cash strapped, do why are you handing out tax cuts to projects most Oregonians oppose? READ THE ROOM!!!;
