Measure, Appointment or Topic: HB4099

The Federal Veterans Administration cannot do all of the caretaking of Oregon veterans. Oregon State Government needs to step -up and fill in the gaps that Federal VA cannot fill. My questions is that will this task force be political appointee's that have a few cups of coffee, never get to the root of the problem and submit a report. A true task force should be made up of veterans that have been in the trenches fighting for veterans that will get to the root of the problem. I am in favor of this bill.

Thank you,

LAURIE KIMMELL, MSgt, USAF (Ret)
