

Submitter: Colton Cabler

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB1501

Dear Senator,

I firmly OPPOSE any public money being spent on this private enterprise. There are way more important endeavors that would help ALL Oregonians, not just people that like sports. The owners of the Blazers and the owners of Moda have enough money to fix whatever needs to be fixed. There are no upgrades that will bring more people or create more jobs. This is just handing money to people who already have enough.

Respectfully,

Colton Cabler
Portland, Oregon
