

Submitter: Adrien Malamitsas

On Behalf Of:

Committee: House Committee On Economic Development, Small
Business, and Trade

Measure, Appointment or Topic: SB1548

I strongly oppose this bill because I do not believe for one second that this will protect children in any way. All this Bill would be doing is costing more money to an already struggling industry in the super saturated Oregon market while also adding more waste of trash and resources. Thank you for listening
