

Submitter: Ginger Larcom

On Behalf Of:

Committee: House Committee On Health Care

Measure, Appointment or Topic: SB1598

I oppose this bill and agree with Mike Slagle:

“ Why force families to get your prescribed "medical" care. How about we leave this up to the family's doctor and not "Healthcare services" who will do as you direct them to do. You democrats just push more bills to control the population.”

The overreach is egregious-democrats should be ashamed!
