Please vote YES on HB 4134. HB 4134 is a smart, proactive bill. It ensures that BOTH our wildlife AND our tourism economy remain strong. Its undeniable that a huge reason people travel to Oregon is to recreate in our beautiful natural landscapes and see wildlife. Just look at any Travel Oregon ad. As a resident of Portland who often travels to more rural areas of Oregon (like the coast, or Eastern Oregon) to hike and wildlife-watch, I would be more than willing to pay a few extra dollars on my Airbnb to help fund wildlife conservation.

Let's make sure Oregon is still worth visiting in 100 years. Let's invest in our wildlife, and our own tourism economy's future. Let's get HB 4134 to the finish line.

Thank you.
