Measure, Appointment or Topic: HB4134

Dear Chair Broadman, Vice-Chair McLane and Committee Members,

As a Mosier resident, I urge you to please vote YES on HB 4134. The recent wildfires in our area and poaching incidents make this bill needed more than ever.

Along with conserving vulnerable species and habitat restoration, HB 4134 would provide much needed, dedicated funding for wildlife coexistence, habitat connectivity, anti-poaching efforts, and support for wildlife rehabilitators across the state.

Please support HB 4134, the "1.25% for wildlife" bill, to fund wildlife protection and support habitat conservation through a small increase in the transient room tax.

Thank you.

Sincerely,

Sheila Dooley
