Measure, Appointment or Topic: HB4134

Dear Senate Committee on Finance and Revenue - I urge you to support HB 4134. I moved to Oregon 30 years ago for the natural beauty. I want to see this remain. I am a rural landowner and I appreciate the wildlife surrounding my home. HB 4134 will solve the funding gap for wildlife and habitat and is widely supported. OR tourism is a huge industry. The importance of habitat in my own Columbia County is featured on Travelportland.com as such: "Columbia County takes its name from the storied Columbia River, which forms its eastern and northern border, flowing past tracts of emerald forest and creating a scenic backdrop for boaters and outdoor enthusiasts alike."

Thank you in advance for your vote in support of HB 4134.
