Measure, Appointment or Topic: HB4134

Dear Committee members,

I am enthusiastically in support of HB 4134. I urge you to follow the lead of the House of Representatives and forward this bill to the full Senate. There is so much good in this bill. It will raise needed funds to help our wildlife, often overlooked as an important part, of Oregon culture and society. And, this is accomplished without tapping general funds. It really is a feel good bill, and I know Oregonians will feel very good when HB 4134 becomes law.

Thank you for your consideration,

John Drzal
