Measure, Appointment or Topic: HB4134

As a resident of the beautiful state of Oregon since 1969, I have enjoyed camping, canoeing, CC skiing, swimming, and hiking the trails. Seeing the wildlife including all the plants and animals, makes Oregon unique. We want to preserve, protect, and maintain this beautiful environment.

HB 4134 protects our fish, wildlife, and way of life.

Oregon has a list of over 300 vulnerable species that require intervention. HB 4134 invests in conserving and restoring the habitat these species rely upon, while also supporting Oregonians' livelihoods, outdoor recreation, and quality of life.

Communities in Oregon, especially our rural communities, rely on thriving, healthy environments that support our native wildlife.

Please pass HB 4134 to take advantage of raising funds through a tax on transient lodging.
